PROFESSIONAL EXPERIENCE

Associate Software Engineer (Internship)

06/2023 – 10/2023

XenonStack

Chandigarh, India

- Started my journey with an opportunity to learn and work with Java, gaining a solid foundation in object-oriented programming and software development principles.
- Progressed to front-end development, where I utilized React to create dynamic and responsive user interfaces, improving the overall user experience.
- Further expanded my skill set by working with Go for back-end development, managing server-side logic and database operations.
- Gained experience with Apache Kafka, implementing real-time data streaming and processing solutions to handle large-scale data.
- Acquired knowledge of Apache Spark, leveraging its capabilities for big data processing and analytics.

PROJECTS

Shoe Store [🔗](#)

This project is a robust online platform designed for a seamless shoe shopping experience. It integrates a variety of technologies to deliver a user-friendly interface, secure transactions, and appealing aesthetics.

- The back end of the website is powered by **Strapi** to manage product entries and handle requests.
- **Stripe** is used as the payment gateway for safe and secure transactions.
- The front end is built using **Next.js**.
- The website's design was crafted using **Tailwind** CSS, resulting in a responsive user interface that aligns with modern web design trends.

Social Media App [🔗](#)

- Developed a full-stack social media web application using the MERN stack (MongoDB, Express.js, React.js, and Node.js).
- Deployed the front-end of the application on Vercel and the back-end API on Render.
- Utilized MongoDB for robust and scalable data storage.

Family Guy App [🔗](#)

Quiz and Information App

- An interactive web application using Next.js that offers a quiz and information related to the popular TV show, Family Guy.
- Leveraged the capabilities of the Next.js framework to create a user-friendly front-end interface.

EDUCATION

Master of Computer Application

07/2023 – present

Chandigarh University

Chandigarh, India

Open distance learning program

Bachelor of Computer Application

09/2020 – 06/2023

GGDSD College

Chandigarh, India

SKILLS

- | | | | |
|----------------|---------------|--------------|-----------|
| • ReactJs | • Next.Js | • Express.js | • MongoDB |
| • NodeJs | • Javascript | • Java | • C++ |
| • Tailwind Css | • vanilla css | | |

CERTIFICATES

- Meta react basics [🔗](#)
- HackerRank SQL basics [🔗](#)
- Understanding of JavaScript sololearn [🔗](#)
- Practical Understanding of C++ sololearn [🔗](#)
